“GOD’S NOT DEAD” THE MOVIE
BIBLE STUDIES

In the hit film, God’s Not Dead, freshman Josh Wheaton is forced to take a stand and defend what he believes. Could you do the same? Do you KNOW what you believe? If you have ever struggled with issues of faith, wondered if God is real, or even why He doesn’t stop bad things from happening, then join us for a Bible Study based on the movie.

NOW THAT WE’VE SEEN THE MOVIE, JOIN US FOR A SPECIAL MOVIE-BASED SERIES

“GOD’S NOT DEAD: WHAT DO YOU BELIEVE?”

One of the goals of the movie was to inspire millions to be like Josh - to be able to give such a defense. By taking part in this study, you are becoming a part of that dream. This study is the “next step” for anyone serious about getting prepared to make such a defense of their faith. The movie was ultimately designed to give believers confidence to offer a defense; this study will take you farther down that path. Though it is not required that you see the movie before the class, it is recommended. So if able, rent and view the movie prior to the class.
